BILL WINSPEAR

Platform:

As the financial expert in council the treasurer is the watchdog of the interest of all the students. His attitude should be unbiased and detached. Other members may rightly advocate the special interests of the societies or clubs they represent. The treasurer, with the president and other members of the executive, should be concerned in verifying that the students' money is fairly and impartially spent in the interests of all. I do not presume to suggest that, if elected, my judgement will always be right; I do with sincerity suggest that I will be honest and conscientious.

President Of Men's Athletics

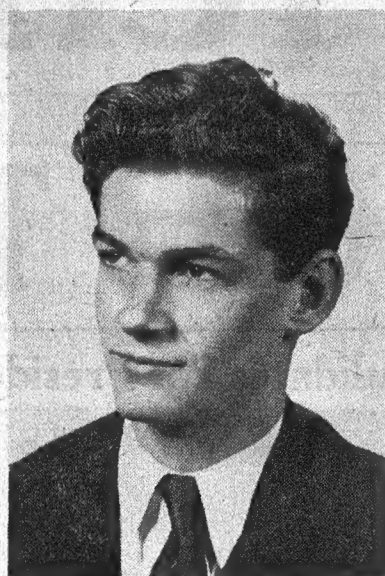

BILL FITZPATRICK

Platform:

It is my belief that unity between universities can best be achieved by an active intervarsity and intramural athletic program. If at all financially possible I wholeheartedly support the return of a Western Collegiate Football conference. With experience gathered from participation and observation of intervarsity sports on this campus and other Canadian and American universities I feel that I am capable of successfully co-ordinating both intramural and intervarsity sports at Alberta.

Activities:

Colorado College hockey, 1950-1951.
Golden Bear hockey, 1951-1953.
Alberta Junior football, 1952.

2. I would strive for keener competition in interfaculty and intramural sports.
3. I would endeavour to extend our University facilities so that all students may have an opportunity to use them.

President Of Musical Directorate

KAYE GREENE

Platform:

1. An informal Musical Festival to feature such things as quartettes, trios, solos, etc. Song Fest does not reach far enough into the talents of our campus.
2. Pep Band! I still think a Pep Band is possible if High School graduates were told to bring their horns to college. A band would add wonders to our Frosh Week, Football Parade, Varsity Guest Weekend and all athletic events.
3. I also think the record collection in SUB needs some new danceable additions.
